

PARENT WORK DAYS-2017-2018

- **What?** - Work or “buy out” three work days per school year (one per season as indicated below). Work days involve general cleaning of classrooms and common spaces, changing air filters, weeding, cutting back shrubs, and other general maintenance tasks. *Children cannot be in attendance at work days.*
- **Why?** - This is a chance to make a hands-on contribution to the educational environment where your children spend so much of their time. We want our buildings and campus to be clean, safe, and beautiful for our children everyday.
- **How?** - Sign up for the dates that suit your schedule or send in a check made out to *NHES*. You may also opt to buy out some work days and work others.
 - *You MUST work one day per season ; you cannot “rollover” days and work two in one season, etc.*

NOTE: *You will be invoiced \$130 per work day at the end of each season if we do not hear from you or if you miss your scheduled work day without making other arrangements.*

Many thanks for all that you do for our children.

Please complete this form and return to your child’s teacher **by September 15.**
